month around May 14th 2012. To make matters worse after experts made a presentation before the North Carolina General Assembly on NDAA/Agenda-21, despite the fact that a report on the NDAA were sent to the all the members of the 'Rules, Calender and Operations of the House standing committee', despite the fact that USWGO rallied NC residents on Infowars to ram Sen. Berger and Rep. Jones offices full of phone calls and emails to support the efforts of the Nullify-NDAA petition, it is still sitting in committee and no verdict/answer has come from either Rep. Jones nor Sen. Berger regarding the Nullify-NDAA petition. For a highly successful businessman, if Senator Phil Berger decides to rally against the NDAA, it will get high media coverage and make North Carolina the next state to buck the NDAA since Virginia, Arizona, and Tennessee. Senator Phil Berger received the petition around May 14th during the Mayodan Town Council meeting and Representative Bert Jones office received it around May 15th.

The only problem is that right after the Nullify-NDAA petition has brought the legal signatures from 221 residents it is apparently not enough for Rep. Jones and Sen. Berger even though Rep. Bryan R. Holloway has pledged support for H.R. 982 thanks to the Nullify-NDAA Petition. H.R. 982 has been introduced by Rep. Glen Bradley which has lost the NC Senate seat so it appears that 2012 is the last year that he will serve as a Representative in the NC House of Representatives in the states General Assembly.

The NDAA aka the National Defense Authorization Act for fiscal year of 2012 and 2013 codifies Indefinite Detention provisions into law even though a Judge has found the provisions to be Unconstitutional.

All hope is not lost though as residents in North Carolina can still call, email, fax Senator Berger's and Representative Jones office plus the chairmen of the Rules committee to get the ball rolling on a vote on H.R. 982 to get it passed the committee and then it will be voted on by the members of the House of Representatives. We need all the votes we can get for H.R. 982 so the support from Sen. Berger and Rep. Jones is critical especially from their constituents.

You should tell Sen. Berger and Rep. Jones, through Fax, email, phone, or even in-person that you support the petitioning efforts by USWGO founder Brian Hill on Nullify-NDAA. For the Rules committee tell them you support H.R. 982 Opposition to NDAA and want it to be passed in the committee.
